

Capita Financial Administrators (Ireland) Limited wins 2010 HFM Week European Service Provider

26th March 2010

We are delighted to announce that Capita Financial Administrators (Ireland) Limited has won the 2010 HFM Week European Service Provider Awards - Best Administrator - Small and Start-up Hedge Funds.

The judges said "Providing cost-effective and sophisticated third-party administration services, Capita Financial Administrators (Ireland) Limited has not only won mandates from a series of new fund start-ups, but seen existing funds transfer business from other administrators."

Capita Financial Administrators (Ireland) Limited was also nominated in an additional two categories:

- Best administrator under \$30bn AUA - single manager
- Best administrator under \$30bn AUA – overall

Since receiving its licence in July 2006, Capita Financial Administrators (Ireland) Limited has seen strong growth. During 2009, assets under administration grew by over 90%, and the number of funds under administration increased by 83%. The operation was also the sixth fastest growing administrator overall in terms of new fund assets in Dublin in 2009.*

Laurence Everitt, Managing Director International and Business Development Capita Financial Group said "I am absolutely delighted with the growth of our business in Dublin over the past three and a half years, and the industry recognition that this award represents. Capita has a well managed and stable business that is reaping the rewards of the hard work and effort put in to making it a "Best in Class" business."
